LEGION EVENTS HOLD WEEKEND SPOTLIGHT

Vulcan Rink Wins Final

The past weekend was hectic for the local Canadian Legion with the branch holding a tremendously successful Sportsmen's Dinner in connection with the Provincial Legion Curling finals held in Drayton Valley for the first time in the town's history.

Seven rinks from across Alberta and the N.W.T. competed for the honor of representing Alberta in the Royal Canadian Legion Dominion Championships to be held in Kamloops in early March.

The Vulcan rink captured the title by defeating Innisfail in the Sunday night final and posting an impressive 7 wins and 1 loss record for the 'spiel. Calgary won second place, also by way of a victory over the Innisfail rink in a game that started shortly after the Vulcan-Innisfail final.

Competition was keen and after five draws of a seven-draw round robin the Vulcan entry was the only undefeated rink. Innisfail ended their winning streak in the Sunday morning draw and forced two extra games to break a three way tie between Calgary, Vulcan and Innisfail.

Final standings of the seven rinks was: Vulcan 7 wins, 1 loss; Calgary 6 wins, 2 losses; Innisfail 5 wins, 3 losses; Grande Prairie 2 wins, 4 losses; Whitecourt 2 wins, 4 losses; Yellowknife 2 wins, 4 losses and Vegreville, 0 wins, 6 losses.

The Sportmen's Dinner held Saturday evening in the Elk's Hall and enjoyed by 250 guests will likely go down as one of Drayton Valley's better remembered events of 1966. The Cornish game hen dinner prepared by Chefs Peter Ferenczy and Tino Aloisio was a gourmet's delight.

Guests were entertained by speakers, Jim Thomas of the Edmonton Eskimos, Rabbi Louis Ginsberg of Beth Israel Synagogue, Edmonton, and George Stephenson of Calgary.

Honored at the dinner were the competing curlers who were piped into the hall by pipers from Edmonton.

Mr. Ed Dick, the Legion's

License Sale Starts Tues.

The new blue on white Alberta vehicle license plates go on sale Tuesday, March 1st. The Drayton Valley Treasury Branch is the only local distribution point and all classes of plates will be available.

A. A. Braden, local Treasury Branch Manager, says all plates will go on a first come, first served basis with no reserved numbers.

Area letters this year are RZ and start at number 7001.

New Course March 2nd

Residents of the town and district are reminded of the course in finance and taxation which will commence on Wednesday, March 2nd.

The course is sponsored by the Division of Vocational Education, Alberta Department of Education and the Drayton Valley and District Chamber of Commerce.

Registration must be completed by Tuesday, March 1st and anyone interested is asked to contact Mr. Bob Cowan at McLeods Store as soon as possible.

General Plan For Town Explained At Meeting

At a dinner meeting Monday evening in the Cardium Room of the Drayton Valley Hotel the advantages of a general plan for the orderly growth of a community were outlined by Planning Consultant, D.L. Makale. The meeting was sponsored by the Drayton Valley and District Chamber of Commerce.

Mr. Makale has been engaged by the town to prepare a general plan covering the next 20-year period and is now awaiting provincial government approval before starting survey work.

Government approval is required as the province pays half the cost of preparing approved plans. Estimated cost of the project is $6,500 with the town's share $3,250.

After approval it will take approximately eight months before the final draft is presented to Town Council. Earlier drafts of the plan will be presented and amended as preparation of the plan proceeds.

A good attendance of in-

Auction Mart To Open March 2nd

Formal opening of Sekura Auctions is scheduled to take place on Wednesday, March 2nd with an opening day sale and guest speakers on hand.

Mr. Wendy Sekura, owner of the new business, states that regular sales will be held every Wednesday with a number of extra sales lined up for the near future.

Free coffee and doughnuts will be served on opening day at the sale mart located ½ mile South of Drayton Valley.

Annual Bonspiel This Week

Sixty-four rinks will battle for over $2500 worth of merchandise at the Drayton Valley Curling Club. A full slate of 64 rinks was reached some two weeks ago and drawmaster Al Casey has the draws in top shape, with little to be desired.

President, Kevin Goble, received word that former Brier champion, Matt Baldwin had to drop out of the official opening ceremony and the bonspiel because of a mix up in schedules.

Peter Ferenczy, head chef at the Royal Glenora Club and Tino Aloisio, head chef at the Royal Alexandra Hospital are shown above carving a decorative swan from a 300 lb. block of ice. Later in the day the swan graced the Sportsmen's Dinner sponsored by the local Legion branch.

Career Night Well Attended

A good attendance of parents and students were on hand for the Career Night in Frank Maddock High School last Wednesday evening.

A wide variety of Career opportunities were discussed by speakers from Edmonton and Drayton Valley who illustrated the good and bad points of their particular field of endeavour in an attempt to guide the young people into appropriate careers suited to their talent and inclination.

Mr. Bob Cowan, president of the Home and School Association, introduced the speakers to lead off the lecture periods.

Those present and the area they represented included: Engineering, L.C. Lockwood; University, W.A. Burns; Pharmacy, Mr. H. Pickup; Home Economics, Mrs. H. Lambrecht; Business Education, A.D. McTavish; Nursing, Mrs. DeCiccio; Apprenticeship, J. Johnston; Retail Council of Canada, Mr. J. Mosdel; National Employment Service, R. Salter; Royal Canadian Mounted Police, S/Sgt. C.B. Bligh; Education, Mr. Humphreys; Medical Opportunities, Mrs. Palmer who substituted for Dr. D.J. Lewis who was operating and unable to attend; Photography, P. Jacobs; Jacobs; Journalism, R.B. Smith; and Institute of Technology, L.C. Semrau.

General Plan

Continued from Page 1

terested members of the community were on hand to hear Mr. Makale explain the technicalities and workings of such a plan as it affects future growth of the community.

The general plan he said, was basically a stock-taking of present housing, utilities, administration, business growth, etc. and projecting the picture over the next 20 years in regard to population and growth and determining the road to follow as the community moves ahead.

The plan, once prepared, is not inflexible, Mr. Makale said. The plan is normally reviewed at regular intervals and the Town Council is at liberty to make amendments which would follow the normal procedure now undertaken for amending by-laws with the public informed of changes sought.

It was pointed out that a general plan for economic development is required of any community that intends to attract new business and industry. With the details of a general plan for information private firms and lending institutions are given a better appraisal of the community and are more likely to invest than they would otherwise.

Other benefits of having a "General Plan" would include additional provincial services if the general plan shows that prospects of the growth of the town are favorable. Also the federal government through the Central Housing and Mortgage Corporation would provide assistance in the Urban Renewal Development and favor mortgage loans for such and other developments.

The meeting which was chaired by A.A. Braden, President of the Drayton Valley and District Chamber of Commerce, also heard brief addresses by Mayor Howard Pickup and W. Johanneson, Chairman of the Chambers Membership Committee.

Recreation Workshop Planned

March 5th, the first Regional Recreation Board Workshop will be held in Red Deer in order that recreation problems of all types may be discussed by representatives from each of the communities in Central Alberta.

It is the intention of this one-day workshop to discuss recreation problems in the areas of arts and crafts, music drama, athletics outdoor education and libraries. In addition, problems of finance construction planning and general administration of recreation programs will be aired.

One of the main problems to be duscussed will be that of leadership development in each of the major areas of recreative endeavour. The lack of recreation program leadership is a problem in many communities.

MECCA GLEN DISTRICT PLANS INTERESTING CENTENNIAL PROJECT

Something new and extremely interesting in the way of a Centennial project is being proposed by the Mecca Glen district East of Ponoka.

A recent meeting endorsed the suggestion that the district's Centennial project be the erection of a huge granite slab, 9 by 5 feet, sandblasted with a pioneer picture on one side and a map of the area on the other. The map will show the location of the early schools and churches and the first quarter section claimed for a homestead.

The stately marker will be erected at some central point in the district.

SEED GERMINATION TESTS

Late February and March is a good time to have seed tested for germination. Do not delay in planning to have good pure viable seed ready for your spring operations. A few reasons for low germination may include, frost damage, high moisture content from wet harvesting conditions with some sprouted and bin burnt kernels. Inclement weather in late summer can cause small shrivelled and sometimes diseased kernels which may produce weak seedlings. Wheat showing wrinkled and discolored surface layers will almost always have a lowered germination. The same usually holds true with discolored and flaky flax seed. In the case of oats and barley the eye can often be deceived and germination tests are the only sure way of telling viability.

If you suspect that any of your seed is impure, diseased or otherwise defective, why not send a representative sample for purity and germination test to the Plant Products Division, Canada Department of Agriculture, 873 Federal Building, Edmonton, Alta.

It is much better to be sure now before the other busy activities of spring occupy your attention.

DON'T OVERWATER YOUR HOUSE PLANTS

Most problems experienced with house plants at this time of year are due to overwatering, says P. D. McCalla, Supervisor of Horticulture, Alberta Department of Agriculture.

He points out that many people erroneously believe that providing house plants with more water will correct problems actually caused by low humidity, excess heat and lack of light during the winter months. He advises to water house plants about once and certainly nor more than twice a week.

The best way to water is to put the plant pots in a pan of water and let the water percolate up through the soil.

Flowering plants should receive sunlight from a southern window. Drafts should be avoided. The recommended temperature for house plants is about 70 degrees in the day time and about 60 degrees at night.

ECHO RAPE SEED

The demand for the Echo variety has been very keen because of it's high yeild. In tests across Western Canada it has out-yielded Ploish by 15 to 20%. In addition it has shown improved straw strength and less tendency to shatter.

Present seed regulations permit the use of a varietal name on commercial seed of rapeseed. Since there is no way to distinguish ordinary rapeseed from the seed of the Echo variety, this provides a loop-hole for unscrupulous growers. The Federal Seeds Act has been changed to prevent the use of a varietal name on commercial seed, but this regulation does not come into effect until July of 1967.

Mr. Bratvold, Supervisor of Special Crops, Provincial Field Crops Branch, points out that farmers who wish to buy Echo rapeseed should protect themselves by buying only "Certified" seed. Certified seed provides a guarantee of varietal purity. Moreover, the bag is officially sealed under government supervision, and therefore, germination and purity within grade is assured.

The Boy Scouts was first organized in England in 1908.

Mrs. Gladys D. Stec, Correspondent.

The annual curling club meeting was held in the community hall on February 8th. New officers were installed for the coming year. Elected were, Mr. Joe Safronovich, President, Mr. Foster Simpson, Vice President, Mr. Walter Stec, Secretary and Mr. Krist Steffensen, Treasurer.

A Tupperware party held at the home of Mrs. Pearl Safronovich was very well attended with everyone reporting an informative and enjoyable afternoon. After the demonstration the hostess served a delicious lunch.

Mr. and Mrs. Krist Steffensen were visiting friends and relatives in Ponoka over the weekend.

Mr. Harley Melin left by car for Revelstoke, B.C. where he hopes to obtain employment.

Visiting friends and relatives in the district were Mr. and Mrs. Butch Smestad and Threasa. Butch is employed by B.J. Servicing at Slave Lake.

Weekend guests at the home of Mr. and Mrs. George Stec were Mr. and Mrs. Ronald Hatt and Joanne of Edmonton.

Goliad held their annual mixed bonspiel in the Drayton Curling Rink recently. Taking the Grand Challenge was the Krebs rink of Drayton Valley.

Amongst the bingo players attending the Legion Bingo in Drayton Valley recently were Mrs. S. Hauser and Mrs. S. Wollen. Sylvia brought home a $10.00 cash prize and Betty a set of bathroom scales.

The Edith Kent ladies rink motored to Seba Beach last Wednesday to take part in an exhibition game against the Linda Mastaller rink. The Buck Creek team returning home the victors.

Western Chamber Needed

Following a recent trip to Olds for the annual meeting of the Central Alberta Chamber of Commerce this writer came home firmly convinced of the effectiveness of the Central Alberta body and the need for a comparable group working for the Western Alberta area.

We have again made inquiries in Drayton Valley and have been assured that no such Western group exists, or if it does, performs its work in silence.

The central group tackles problems that have a vital bearing on the economy of communities in the area and keeps working until they are accomplished. An excellent example is the work, over a period of many years, in bringing the David Thompson Highway from a hope to reality.

Communities in Western Alberta have many common problems that might be resolved by a strong voice speaking for the West rather than attempts by individual towns and chambers to accomplish projects of a regional nature.

We suggest that such a group might ininclude communities as far West as Hinton, North to Whitecourt, East to Stony Plain and on the South to Breton or Thorsby and all the other towns and villages encompassed in the general area.

Naturally, problems of a strictly regional nature would occur, but these could be overcome by all communities in this area working for the general good of the West. Should such an organization come into existence it could speak with authority for the area and carry far more weight in discussions with government at federal, provincial or municipal level. Its value too, in speaking to industry or other private organizations, should be immediately apparent.

We are aware that a tremendous amount or organizational work would be required in forming an effective body of this nature -- but it probably required just as as much work in central Alberta and they accomplished it!

Valued Addition

An important and valuable addition to the business community of Draytnn Valley will become available next Wednesday when Wendy Sekura opens his new Auction Market.

Our congratulations to Mr. Sekura who has invested a considerable sum in the farming future of this area.

We believe that his faith in the growth of the farming community is well placed and that further services to farmers will continue as the area increases its agricultural scope

Wabamun Women Win Alberta Safety Award

"The mounting number of traffic accidents is alarming, and we felt it was time something constructive was done to stop it." The "we" are the 50 members of the Calgary Insurance Women's Club and the "something constructive" is the promotion of a driver improvement course.

The combination of the two won first prize and $100 in the 1965 Alberta Women's Safety Awards, announced the Alberta Safety Council, administrators of the award program. Shell Canada Limited are the program's sponsors.

Second prize of $50.00 went to the Wabamun Women's Institute for the promotion and use of the Red Triangle, an advance warning device for motorists.

Third prize of $25.00 was won by the Colonel Reid Chapter of the Imperial Order Daughters of the Empire, Willingdon. Their safety project was the sponsorship of a baby-sitters and home safety course for the community.

A luncheon will be held in Edmonton, Monday, February 21st to honour the winners of the Alberta awards. Presentation of awards will be made by Prof. B.T. Stephanson, President of the Alberta Safety Council and K.C. Copeland, Manager Marketing Department, Shell Canada Limited.

Judges of the provincial awards were: Alderman, Mrs. D.H. McCallum, Edmonton; Mrs. C.R. Wood, M.L.A., Stony Plain; Mrs. W.G. Burch wife of the Anglican Bishop of Edmonton and Mrs. G.B. Webster, University of Alberta, Edmonton.

Winner of the first award will compete with 9 other provincial first place winners for first, second and third place Carol Lane Awards at the National level. The Carol Lane Awards are administered by the Canadian Highway Safety Council and are also sponsored by Shell Canada Limited.

National winners will be announced at the Annual Conference of the Canadian Highway Safety Council/National Safety League of Canada at the Palliser Hotel, Calgary, May 2, 3, and 4. Miss Carol Lane, Shell's Travel Consultant for whom the awards program is named, will present the awards at the Carol Lane Luncheon, Tuesday, May 3rd.

WILDWOOD BONANZA DAYS

Local Girl Entered In Queen Contest

The Students' Union of Frank Maddock High has asked sixteen year old Terry Durham to run as the Drayton Valley entrant in the Wildwood Klondike Days "Queen Con test," to be held in Wildwood on the weekend of March 4th and 5th.

Each contestant is required to make her own Kondike dress and points will be awarded accordingly. The girls will also be judged on their talent, charm and beauty, in addition to ticket sales.

The total of 25 points is awarded for each of the above divisions of the contest, making a grand total of 100 points. The girl receiving the most points out of the 100 will be crowned queen.

The first world exhibition was held in 1851 in London.

Cooking Magic

This week Northwestern Utilities has prepared several pancake recipes for your Sunday morning special.

GINGERBREAD PANCAKES

2½ cups sifted all purpose flour
1 tbsp. instant coffee
1½ tsp. baking soda
1 tsp. ginger
1 tsp. cinnamon
½ tsp. nutmeg
½ tsp. salt
1 cup light molasses
3/4 cup water
½ cup butter or margarine melted
1 slightly beaten egg

Sift together dry ingredients. Combine molasses, water, melted butter, and egg; gradually add to dry ingredients, blending till almost smooth. For same size pancakes, dip batter with a 1/4 cup measure. Bake on lightly greased hot griddle about 5 minutes. Turn once. Makes about 20 four inch cakes.

FRENCH PANCAKES

Sift 3/4 cup all purpose flour. Resift with ½ tsp. salt, 1 tsp. double acting baking powder, 2 tbsp. powdered sugar. Beat 2 eggs. Add and beat 2/3 cup milk, 1/3 cup water, ½ tsp. vanilla. Make a well in the sifted ingredients. Pour in the liquid ingredients. Combine them with a few swift strokes. Ignore the lumps, they will take care of themselves. Heat a 5 inch skillet. Grease it with a few drops of oil. Add a small quantity of batter. Tip the skillet and let the batter spread over the bottom. Cook the pancake over moderate heat. When it is brown underneath, reverse it and brown the other side. Use a few drops of oil for each pancake. Spread with jelly and roll it, then sprinkle with powdered sugar.

ORANGE CREAM PANCAKES PENINSULA

Make a smooth mixture of 2 cups flour and 1 3/4 cups milk and blend in 5 eggs lightly beaten, ½ cup sugar, 1/4 cup melted butter, the grated rind of 1 orange and 1 lemon and a dash of salt. Make thin pancakes of the batter and cook them on a hot griddle. Fill the hot pancakes with orange cream and squeeze the juice from 1 orange slice on each pancake just before serving.

Orange Cream: Cream 1 cup sweet butter with 1 1/3 cups icing sugar until the mixture is light and frothy. Stir in thoroughly the grated rind of 1 orange.

POTATO BEEF PANCAKES

4 cups raw grated potatoes packed firmly
½ tsp. salt
½ cup flour
1 tsp. baking powder
2 eggs
1 3½ oz. jar chipped beef shredded.

Press out all juice from potatoes. Sift dry ingredients together. Beat eggs well and combine with sifted dry ingredients. Add potatoes and beef, mix well. Drop by spoonfuls onto a hot greased griddle. Reduce heat to moderate and fry on both sides, until golden brown and potatoes are done. Makes 12 pancakes.

Hog Prices and Market Outlook

OTTAWA -- Hog prices in Canada are expected to continue at relatively high levels for at least 6 months. Inspected slaughter is expected to range from 6 to 11 per cent below last year's over the current January to July period.

Dominion Bureau of Statistics reports the number of hogs on farms on December 1, 1965, at 5,106,000, down 8 per cent from the previous year. This was a drop of 16 per cent in Western Canada and of only 2 per cent in Eastern Canada.

Estimates of sows farrowing in the last six months of 1965 were 4 per cent less than in the corresponding period in 1964. Sows bred to farrow in the current December to February period are estimated by DBS at 281,000 or 20 per cent more than in the 1964-65 period.

In the same DBS survey, farmers' reports of intentions to farrow in the spring of 1966 were 10 per cent above those of last spring.

On the basis of past relationships between DBS estimates of hog numbers, farrowing intentions, and subsequent hog gradings, marketings in the last six months are expected to average 137,000 head per week or 7 per cent more than in the last half of 1965.

In view of the prospective supply situation and the firm market prevailing in the United States, it seems evident that hog prices will be firm well into next fall. During January 1966, Grade A hogs dressed at Toronto averaged $42.57 per cwt., or $15.25 per cwt. more than in January, 1965.

Lodgepole News

Mrs. W. Norquay
Correspondent

Miss Lavonne Elliott phoned home from Red Deer to tell her mother, Mrs. H. Elliott that she had passed her exams for hairdressing. Congratulations.

The mixed men and women's Club Bonspiel is now taking place at Lodgepole. It started last Thursday and will finish sometime this week.

The McGreger telephone crew pulled out of Lodgepole this morning and headed toward Drayton Valley. I don't know their next stopping place.

Congratulations are in order for Mr. Steve Broderson of Lodgpole and his Audrey on their recent engagement.

Mr. and Mrs. K. Androschuk of Lodgepole and Mr. and Mrs. J. Erickson of F Lease left by plane last week for 3 weeks holiday in Barbados and other points of interest.

Miss Kathy Knapp celebrated her birthday last week and invited 11 children to help her eat her birthday cake.

Anchor Construction are putting a pipe line under the road where they were working last summer. The location is on the Lodgepole-Drayton Valley road about a mile East of Lodgepole.

Red Cross Women's Work groups in more than 1,000 Canadian communities produce about 350,000 knitted and sewn articles for disaster relief each year.

Churches To Hold Mission Festival

This coming weekend the United and Anglican Churches will combine to present something of their mission work in Central and East Africa. Rev. Bill Hincks, a returned United Church missionary from Zambia, will be present to show slides, bring a dynamic message and answer questions.

The mission festival will open on Saturday evening, February 26th at 8:00 in the sanctuary of the United Church, where Mr. Hincks will make a color slide presentation entitled "Revolutions in Africa". This will cover Christian work in his own land of Zambia, as well as Rhodesia and Kenya. There will be a "hotteneny hymn-sing" using many of the old missionary hymns of the various Churches. Lunch will be served in the church basement so that attenders may meet Mr. Hincks and ask questions of him. The offering will be dedicated to the mission work of the two churches.

The mission festival continues over to Sunday, when Mr. Hincks will preach at the eleven o'clock service in the United Church on the theme, "The Power of Christ in Africa". Again, all are welcome to attend. The mission festival will conclude with Mr. Hincks travelling to Evansburg with Mr. Ingram of the Anglican Church and Mr. Strachan of the United Church for a presentation in that community at 7:30 Sunday evening.

Come join us on Saturday and Sunday to discover something of what the United and Anglican Churches are doing in Rhodesia, Zambia and Kenya -- some of the hottest spots on our globe.

Alberta Women's Institute Centennial Scholarship

One Thousand Dollars has been established by the Alberta Women's Institutes in commemoration of Canada's 100th Anniversary. The Scholarship will be awarded to a graduate of the University of Alberta (at either Edmonton or Calgary) to undertake training at any recognized School of Social Work in Canada.

Applicants must be residents of Alberta, and the recipient must undertake to serve in Social Work in Alberta for at least two years immediately upon completion of the program of studies.

This award is to be based upon academic achievement in the University undergraduate program. Priority will be given to a son or daughter of an Alberta Women's Institute member, and the award will be presented in 1967.

D. V. Highlights

BY MRS. EDITH DEBY

Constables Fowler and Miller of the town police force are attending the training school for municipal police now being held in Edmonton. E.E. Buchanan is in charge of the six weeks course.

A new daughter has arrived at the Duane Kehl home. She is a sister for Laura. The Kehls, formerly of Drayton Valley, now live in Edmonton.

Rob Krause likes his new job with the A.G.T. and enjoys living in Calgary.

Jerry Polling had a delightful surprise on Friday when his father arrived unexpectedly from Germany. At short notice Mr. Polling decided to attend his son's wedding in Anchorage, Alaska. He then came to Vancouver and had someone telephone Jerry to meet the plane. On Friday night Jerry took his father to the Lion's banquet and it was surprising that several people understood enough German to visit with the guest. Mr. Polling expects to stay in Drayton Valley for two weeks.

Mr. and Mrs. Vernon Bartlett entertained in their home on Saturday evening with a whist party. Winners for the evening were: Mrs. John Mikulin and Mr. Freeman Hill. Consolation prizes went to Mrs. Freeman Hill and Mr. John Mikulin.

A.B.I. STUDENTS TO CONDUCT SERVICE

On Sunday morning, February 27th, students from the Alberta Bible Institute will conduct the service at the Church of God, Drayton Valley. Miss Ruth Terry, graduating student from the Institute, will be the morning speaker.

Special music will be provided by graduates, Mr. and Mrs. Ray Hehr.

FARM ACCOUNTING

The Farm Economics Branch of the Alberta Department of Agriculture will soon analyze all farm business records of farmers with loans under the Veterans Land Administration.

Dr. Glen Purnell, Director of the Farm Economics Branch, says the agreement between his department and the V.L.A. is a step towards standardizing farm accounting and analysis systems.

Farmers with V.L.A. loans will gradually change over from their present accounting methods to those used in the Prairie Provinces Account Book.

Canada will have the largest pavilion at Expo.

Curling News

Most of the attention for the past few weeks has been directed towards the Men's Open Bonspiel. This is the major event in the course of the year for the Men's Club. The club had little trouble in filling the compliment of 64 rinks with still a half dozen or more on the waiting list. Prizes will be displayed on the upper walkway of the curling rink ice surface. The club boasts the best array of prizes for any country bonspiel. This is due to the good response of both small and large business firms that serve Drayton Valley. A special thanks to the companies that service this vast Pembina Oil Field.

Vulcan walked off with the Alberta Legion Playoffs held at the Club over the past weekend. A grueling struggle after eight games in only two days and a half. After a round robin series of 6 games, 3 rinks were tied which forced a playoff. Vulcan first defeated Calgary, then went on to defeat Innisfail in the final.

Drayton Valley Seniors rink of Billy Rose, Fred Raven, Ed Sanderlin and Arnold Lloyd will begin play Tuesday, February 22nd in the Northern Alberta Seniors Playdowns to be held at the Ottewell Club in Edmonton. Predictions are for a Northern Alberta Title coming to Drayton Valley.

LADIES' CURLING

In the "A" Event both LaBranche and McKenzie won their games last week to remain tied for top place.

In the "B" event the rinks are close with the Copeman rink in the lead.

An executive meeting was held to make plans for the bonspiel banquet. Due to the large entry of 48 rinks this will be held in the Elk's Hall.

The ladies are serving breakfast at the curling rink during the Men's Open Bonpiel. So men, when you are on an early draw, let the little lady have her beauty sleep and eat at the rink.

Those interested in bonspieling the weekend of March 5th and 6th may choose between the mixed 'spiel at Seba Beach and the Ladies' Open at Warburg. Information regarding the Seba Beach Mixed is posted at the curling rink. Entries to Warburg are to be phoned to Irene Wilkes at 848-2371.

New Books At Library

We wish to thank Dale Mastre for the books he so kindly donated to the library.

Last week two books arrived which should be of special interest to the sportsman. Both written by Mike Grammond they are, "Big Game Hunting in the West" and "Big Game Fishing in the West". We also received Hallie Burnett's "Watch on the Wall". This is a novel of the Berlin Wall.

Do you like to read of politics and political figures? At present we have "Douglas in Saskatchewan" by Robert Tyre; "The Game of Politics" by Pierre Sevigny; "The Shape of Scandal" by Richard Gwyn; "The Liberal Party" by J.W. Pickersgill and "Canada and Mr. Diefenbaker". A most interesting biography is given of Mr. William Aberhart in the book "Flamboyant Canadians".

Brush Clearing Contracts Awarded

Agriculture Minister Harry E. Strom announces contract awards totalling over $34,000 for brush clearing on three provincial grazing reserves. About 800 acres are to be cleared on each.

Dale B. Fullerton of Winfield, Alberta was awarded a $9,494 contract on the Buck Mountain grazing reserve. His was the lowest of 10 bids on the project. Other tenders ranged as high as $22.95 per acre.

The contract for clearing on the Rannock grazing reserve was awarded to Marshal Tarapaski, St. Paul, and Dick Wadsworth Construction Ltd., 10534 - 71 Avenue, Edmonton, was awarded a contract totalling $10,995 for clearing on the Minburn grazing reserve.

Maddock Re-Elected Board Chairman

An organization meeting of the Board of the Stony Plain School Division was held in the Divisional Office on Tuesday and Wednesday, February 1st and 2nd. Members present were Messrs. F. W. Maddock, E.R. Lewis, G.E. Jouan, D.R. Goble, Wm. Barth and Mrs. M.A. Ivan, Trustees, also Superintendent of Schools, Mr. F. Hannochko and Secretary-Treasurer, A.W. Boychuk.

ELECTIONS

It was reported to the Board that F.W. Maddock and E.R. Lewis were re-elected as trustees by acclamation for another term. Another nomination for Sub-Division No. 5 from Mr. Maurice McCallaugh of Rocky Rapids was received on Monday, January 17th at 9 a.m. and therefore was disqualified.

INTERVIEW BOARD BUS OPERATORS

Art Schlichenmeyer and Herman Steinke came to see the Board regarding the sale of their busses. They wanted to know if they had to sell their busses to Western School Bus Sales, especially at the price offered. They were advised that individual contractors were not obligated to sell unless the price was reasonable.

Mr. F.W. Maddock turned the chair over to the Superintendent of Schools, Mr. F. Hannochko, who called for nominations for Chairman of the Board.

ELECTION OF CHAIRMAN

Mr. G.E. Jouan nominated Mr. F.W. Maddock as Chairman. Moved by Mr. K.R. Goble and seconded by Mr. E.R. Lewis that nominations cease.

Mr. F.W. Maddock was declared elected as Chairman of the Board for the coming year.

Mr. Wm. Barth nominated Mr. E.R. Lewis as Vice-Chairman. Moved by Mrs. M.A. Ivan and seconded by Mr. K.R. Goble that nominations cease. Mr. E.R. Lewis was declared elected as Vice Chairman of the Board for the coming year.

Moved by Mr. K.R. Goble that the Secretary-Treasurer, A.W. Boychuk, with either Mr. F.W. Maddock, Mr. E.R. Lewis or Mr. Wm. Barth be the signing authorities for the coming year.

Evansburg News

Mrs. Bruner, Correspondent

The annual school ratepayers meeting held on February 10th in the High School auditorium was well attended and many matters were discussed.

Several residents of the district took advantage of the lovely weather and went skiing on the weekend.

Mr. Jesse Bruner of Wildwood is recovering nicely from the shaking up he received when his truck rolled several times upon striking an icy spot on the road.

The Junior-Senior High School held an open house evening for parents and teachers. This took place of the usual parent-teacher day held in previous years.

The Cadets of the Pembina Cadet Corp are still taking in new or used clothing in good condition. The clothing is for shipment to under privileged countries and the collecting depot is the High School.

At last the Bruners have a girl. The six boys welcomed their little foster sister, Liza, last week. All are proud and happy.

The boys in the Cub Pack were disappointed in not being able to have their scheduled skating party. Due to the heavy snowfall, the boys had their fun inside as it was impossible to skate.

Brand Inspectors Set Record

Alberta's brand inspectors set a new record last year when they inspected well over 2 million cattle.

In making this statement, W.H.T. Mead, provincial Livestock Commissioner, reports that a total of 2,116,834 head of cattle were inspected in 1965. This figure represents an increase of 12 per cent over the number of cattle inspected in 1964. Last year's total was made up of 1,801,199 head sold at all markets including export markets and 315,635 which were inspected before their return to feedlots and pastures.

According to Mr. Mead, approximately 5,200 cattle were detained at markets as part of the investigation procedure to ascertain their rightful owners. Of this number, 424 were found to be illegally or mistakenly shipped These animals were either returned to their rightful owners or the money obtained from their sale returned to these owners.

Careless branding, says Mr. Mead, continues to be greatest hindrance to rapid and efficient brand inspection. Many brands are difficult to detect and read because the branding irons were too small or because the brands were applied unevenly or too lightly. The use of liquid branding fluids that run or blotch is still another cause.

Mr. Mead also points out that a great deal of time is wasted by inspectors and market operators because many cattle in mixed shipments are not properly marked or are accompanied by inadequate bills of lading.

He urges cattlemen to insist that their cattle are properly paint or scissor marked and that they are covered by a proper bill of lading, a copy of which should be left with the shipper.

'Good Look' at Food Industry Suggested

In a prepared statement D.H. Galbraith, executive assistant of the F.U.A. said the Farmers' Union of Alberta supported a Calgary group protesting the rise in food prices and agrees that a 'good look' at the industry may be necessary.

Statistics released at the Canadian Federation of Agriculture Convention in Toronto in the latter part of January showed that farmers are receiving approximately the same today for their products as they were 17 years ago, yet their costs of production have increased more than 50%, according to Mr. Galbraith's statement.

This, he said, coupled with the Dominion Bureau of Statistics report that in the 1953-63 period, the consumer price index rose at a yearly average of 1.4, while the labor wage index rose at an average of 1.1 -- makes us wonder where food prices would be today had the farmer received an equivalent price increase for his produce.

Paddle River Line Completed

Construction of the 70-mile natural gas transmission line connecting reserves estimated at 175 billion cubic feet in the Paddle River gas field north-west of Edmonton to the integrated system of Northwestern Utilities has been completed.

The contractors, Marine Pipeline and Dreding Limited finished its portion of the project in 1965, giving ample time for the completion of the gas processing plant during the winter, and first gas is expected to be introduced to the system in the spring.

Completion of the line, and related processing plant to be built in the field by the producers, will enable Northwestern to provide natural gas service to several communities along Highway 43, the approximate route of the pipeline.

A top welding speed of 19,000 feet of pipe per day was recorded when the crews were installing 17 miles of 10-inch pipe. Average daily yield was approximately 3½ miles.

Successful Whist Party At Whitby

A very successful evening of whist was enjoyed by all those who attended the February 11th Whist Drive held in the Whitby Community Centre. Besides the local residents there were a couple from Violet Grove, also several from Drayton Valley.

We will be holding another whist drive, March 11th. We will be glad to see all those who enjoyed the first of the season party, and also anyone else who would care to attend. More tables and chairs will be found before that date rolls around.

Mange in Coyotes

The Alberta Veterinary Services Branch has recently received a number of inquiries concerning "mangy" coyotes.

Dr. H.N. Vance, Assistant Director of the Veterinary Services Branch, reports that a few of these animals have been examined by the Veterinary Laboratory and found to have a type of mange. A study conducted at Rochester, Alberta also showed that a large percentage of coyotes found dead or trapped this winter were suffering from mange.

Dr. Vance says the type of mange on these coyotes is unlikely to spread to other domestic animals, the main reason being that the mite is thought to be specific to the coyote.

In The Legislature

By Mrs. Cornelia R. Wood, M.L.A.

The third session of the fifteenth legislative assembly of Alberta opened on Thursday, February 17th with the usual pomp, ceremony, color, gun salute and band music. Crowded galleries heard the newly appointed Honorable Lieutenant Governor J.W. Grant MacEwen read the speech from the throne in good clear voice. The seven page speech indicated a heavy government legislative program and contained many items of interest to Albertans.

Some of the highlights of the speech were the Homeowners' $50 tax discount on the property where they reside, increased appropriations for education, health, welfar, highways and agriculture, an extension of the Alberta Medical Plan, an Insurance Fund under the Livestock Dealers and Products Act, a Ministry of Youth to be set up and a committee named to investigate car insurance. The valuable Museum Glenbow Collections, together with a substantial sum of money is to be donated to the Province as a family Centennial project by Mr. Eric Harvie Q.C. of Calgary. A Bill of Human Rights designed to protect human dignity and a revision of the Child Welfare Act on adoptions will be introduced.

Following the close of the short session, Mrs. Manning and the wives of the Cabinet Ministers entertained the members of the Legislature, their wives and dignitaries at a tea held in the library of the Legislative Building.

On Friday afternoon after opening prayers, M. Maccagno (Liberal, Lac La Biche) Leader of the Opposition and Wm. Dickie, (Liberal, Calgary Glenmore) left the assembly and returned escorting Wm. Switzer the newly elected member for Edson following the tragic death of Hon. N.A. Willmore. He was introduced to Mr. Speaker who directed him to take his seat in the assembly. He was welcomed by desk-thumping by all Honorable Members in the House.

R.A. Speaker (S.C. Little Bow) moved that a humble address be presented to His Honor the Lieutenant-Governor for the gracious speech and the debate on the Throne Speech began. He stressed the importance of the intention of the Government to establish a new Ministry of Youth to encourage constructive youth activities and organizations and to stimulate interest in youth training for leadership in social, cultural, recreational and business affairs. R.A. Speaker the Little Bow Member, is one of the popular choices to head this new ministry designed to recognize the large percentage of Alberta residents who are in the younger age category.

The motion was seconded by Dr. S.G. Geldart (S.C., Edmonton West) and he expressed approval of the intention of the Government to submit a new University Act and he especially praised the proposal to establish a Western Canada Heart Institute in which the most up-to-date diagnostic research and treatment will be available to our people.

The debate was adjourned by M. Maccagno (Liberal, Lac La Biche) the leader of the opposition.

Moon Lake News

Mr. McEachern ran his car off the road near the Brightwood corner and suffered a broken leg on Saturday, February 12th.

Mr. Kaptyn had a nasty accident Sunday morning while cutting kindling for the fire. He cut his thumb badly and had to drive himself to the hospital for treatment. His wife has suffered a relapse of quincy and is back in hospital. We wish them both a speedy recovery.

The Ladies of Moon Lake held their regular meeting last Wednesday, February 16th.

Mrs. Schenk had a bad scare last week when the gas she was cleaning paint brushes with burst into flames and damaged the porch quite badly. Albert Schenk managed to throw it outside before more damage could be done.

Auxilliary Meeting

Newly elected president of the Ladies Legion Auxiliary, Mrs. Paul McGee conducted the February meeting. The new Secretary is Mrs. G. McEachern and treasurer is Mrs. K. Wills. Chairman of the catering committee is L. Thompson and of Ways & Means, E. Davidson. V. Smith and A. McGregor will make up the color party and P. Jenkins will be pianist.

Plans were made for the Sportsman's Dinner which is to be prepared by a chef but the ladies will serve.

It was decided to give engraved coffee spoons to members in hospital.

An application for membership was approved. New members will be most welcome. Ladies eligible for membership are members of the armed forces or wives, sisters or daughters of veterans of the three Canadian or British armed forces. If interested in joining, call Mrs. Cooke, 542-4070.

The next meeting will be in the Legion Hall on Tuesday, March 8th at 8:00 p.m.

Never store paints, turpentine, coal oil or other such flammable fluids in the basement, especially near the furnace. Rags or mops used with any of these oils should be washed out or, if useless, washed, dried and packed into a metal container.

NOTICE

The Municipal Assessors will be in attendance at the Town Hall on Monday the 28th of February, 1966 from 1:00 p.m. to 5:00 p.m. and on Tuesday the 1st of March, 1966 from 9:00 a.m. to 5:00 p.m., exclusive of the Noon Hour, for the purpose of discussing and advising on assessment problems and queries.
